HELLO FRIENDS,

This year marks our **6th Annual Smashed Charity Ping Pong Tourney**, a fun opportunity to bring friends together to enjoy great food, drinks and play some ping pong. More importantly, it's a fantastic way to give back to our community.

LAST YEAR WE SMASHED OUR RECORD RAISING AN INCREDIBLE \$300,000, FOR A TOTAL OF \$650,000 IN 5 YEARS!

On Friday October 20th, 2017 we're hosting our 6th Annual Event at Rebel and we need your help to make Smashed an even bigger success. So work on your topspin, and don't forget your tennis whites!

THIS COMMUNITY NEEDS A LIFELINE

Established in 2014 by Lifetime Developments, **Lifeline** is a charitable foundation whose mission is to provide aid and support for Toronto's vulnerable and at-risk communities. Over the past few years, with the help of our friends and colleagues, **Lifeline** has raised half a million dollars which have directly supported Toronto's vulnerable and at-risk communities through a number of initiatives and organizations. In turn, **Lifeline** has helped to provide meals for children, encourage youth literacy, and advocate youth benefit programs. **Lifeline** is dedicated to making a lasting difference by raising awareness and funds, as well as facilitating various hands-on initiatives and an on-the-street presence to improve the lives of those in need.

MEET TREVOR,

Age 3 | Medical Condition: Myelodysplastic Syndrome

TREVOR'S WISH TO MEET HIS FAVOURITE CHARACTERS AT A MAGICAL THEME PARK IN FLORIDA!

Trevor is an incredibly brave little guy who has received numerous rounds of chemotherapy to help battle his medical condition. His suppressed immune system means spending a lot of time at home, so Trevor enjoys watching his favourite movies, and hanging out with his family.

One character in particular, a jovial cartoon mouse, has captured his heart. It is no surprise then, that Trevor's wish is to travel to a magical theme park in Florida to meet him in person!

This trip will give Trevor and his family the opportunity to create wonderful memories, helping them heal and grow stronger, together.

Thank you Smashed Ping Pong for making Trevor's one true wish a reality!

MAKE
A WISH®

TOGETHER WITH FREE THE CHILDREN,

your contributions were able to empower children and families in the community of **Oloirien, Kenya** by building new school classrooms and providing them with tools and resources necessary to help them break the cycle of poverty common in the area. Children benefit from new spaces and opportunities like these; learning about health care, clean water techniques, agriculture and alternative income possibilities. This year, let's continue to make differences in the lives of children, youth and families less fortunate.
